## Synopsis

An Unforgivable Secret is a passionate Amish romance novel that explores the forbidden love between an Amish woman and an Englisch man. Set against the backdrop of a close-knit Amish community, this captivating story will keep you on the edge of your seat.

Sarah Miller is a young Amish woman who has always followed the rules. She is a devout member of her church and has never questioned her faith. But when she meets David, an Englisch man, her world is turned upside down. David is everything that Sarah is not: he is worldly, charming, and handsome. Sarah is instantly drawn to him, and soon they find themselves falling in love.

But their love is forbidden. The Amish church does not allow relationships with outsiders, and if Sarah is caught with David, she will be shunned from her community. Sarah and David must decide whether their love is worth the price they will have to pay.
