

# Black Power: The Color Curtain and White Man Listen

By Stokely Carmichael and Charles Hamilton

Black Power: The Color Curtain and White Man Listen is a groundbreaking book that explores the history of racism in America and the rise of the Black Power movement. This powerful and eye-opening book is a must-read for anyone who wants to understand the history of race relations in the United States.

Stokely Carmichael and Charles Hamilton argue that racism is a system of oppression that has been used to control and exploit African Americans for centuries. They trace the history of racism from its origins in slavery to its current manifestations in mass incarceration, police brutality, and voter suppression.

Carmichael and Hamilton also discuss the rise of the Black Power movement in the 1960s. They argue that the Black Power movement was a necessary response to the failure of the civil rights movement to achieve full equality for African Americans. The Black Power movement advocated for self-determination and black self-reliance, and it played a major role in the development of black consciousness and black pride.

*Black Power: The Color Curtain and White Man Listen* is a classic work of African American history and thought. It is a powerful and eye-opening book that is still relevant today. This book is a must-read for anyone who wants to understand the history of race relations in the United States and the ongoing struggle for racial justice.
