Horowitz draws on years of research and first-hand experience to expose the hidden agenda behind university indoctrination. He shows how faculty members, administrators, and even students are being complicit in the spread of Marxist, socialist, and anti-American ideas.

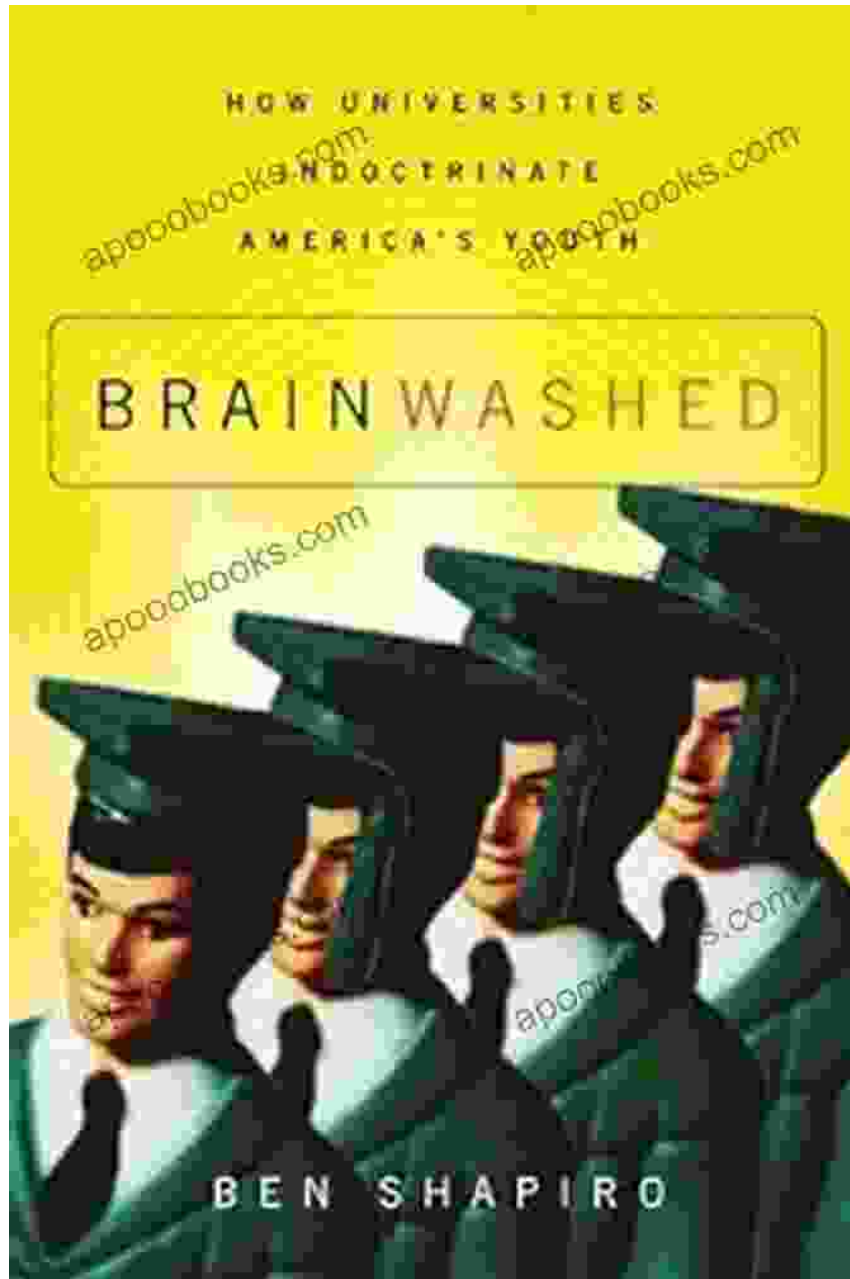

The result is a generation of young people who are being indoctrinated to hate their country, their values, and their way of life. These young people are being taught to reject the principles of freedom, individual responsibility, and limited government.

Horowitz's book is a wake-up call for all Americans. He shows how the indoctrination of our youth is a threat to our national security, our economy, and our way of life.

If you are concerned about the future of America, you need to read this book. Horowitz provides a clear-eyed look at the problem and offers practical solutions for how we can stop the indoctrination of our youth.
