Print length : 264 pages

The book is divided into four parts. The first part provides an overview of the field of political Islam, including its history, key concepts, and major debates. The second part examines the different forms of political Islam in the Middle East, North Africa, and South Asia. The third part focuses on the global impact of political Islam, including its role in terrorism and jihadism. The fourth part concludes with a discussion of the future of political Islam.

Comparative Analysis: Routledge Studies In Political Islam is an essential resource for scholars and students of political Islam. It provides a comprehensive overview of the field and offers new insights into the complex and evolving relationship between Islam and politics.
