David was a young man with a heart of gold. He was always kind and compassionate, and he loved to help others. He had a strong faith in God, and he believed that everything happens for a reason.

In 2015, David was tragically killed in a car accident. He was only 22 years old. His death was a devastating loss for his family and friends. But even though David was gone, his spirit continued to live on.

After David's death, his mother, Cheryl, began to receive messages from people who had been touched by David's life. People told her that David had appeared to them in dreams and visions, and that he had given them messages of love, hope, and comfort.

Cheryl was amazed by these stories, and she knew that she had to share David's message with the world. She decided to write a book about David's life and legacy.

**"David Knew You Would Come" is a beautifully written and deeply moving book.** It is a story of faith, love, and loss. But it is also a story of hope and healing.

Through David's story, Cheryl shows us that even in the darkest of times, there is always hope. She shows us that love is stronger than death, and that the bonds we form with others can never be broken.
