Bertrand's genius lies in his ability to hold a mirror to the self-serving and hypocritical nature of high society. The characters, consumed by their own desires, often resort to slander, gossip, and backstabbing to achieve their ends.

Yet, amidst the whirlwind of scandal, a glimmer of hope emerges. Joseph Surface, Charles's sanctimonious and calculating half-brother, is unmasked as the true villain of the tale. His pious façade conceals a ruthless determination to inherit Sir Peter's fortune.

"The School for Scandal" is a masterclass in satirical writing. Bertrand uses humor as a sharp weapon to skewer the pretensions and foibles of his characters. The witty dialogue and clever plot twists make for an unforgettable reading experience.
