The book begins with a brief to the basics of embroidery, including the different types of stitches, fabrics, and threads. Once you have a basic understanding of the basics, you can move on to the more advanced techniques, such as how to create dimensional flowers and leaves, and how to embroider on sheer fabrics.

The book includes 20 beautiful patterns, each of which is inspired by a different flower or plant. The patterns are all easy to follow, and they are perfect for creating a variety of embroidered projects, such as wall hangings, pillows, and tablecloths.

If you are looking for a book that will inspire you to create beautiful and unique embroidered pieces, then Embroidery Pour Le Jardinier is the perfect book for you.

Embroidery for the Gardener: Projects and Patterns

The following are just a few of the projects that you can create with the patterns in Embroidery Pour Le Jardinier:
