Expert Consult is an online and print subscription service that provides you with unparalleled access to Elsevier's vast library of medical textbooks, journals, and multimedia tools. With Expert Consult, you can:

- Access over 1,500 medical textbooks, including the latest editions of leading titles such as Harrison's Principles of Internal Medicine, Gray's Anatomy, and Netter's Atlas of Human Anatomy.
- Search over 500 medical journals, including The Lancet, The New England Journal of Medicine, and JAMA.

- View over 10,000 multimedia tools, including videos, animations, and self-assessment quizzes.
- Create customized collections of content that you can access anytime, anywhere.
- Share content with colleagues and patients.

The Perfect Solution for Medical Professionals

Expert Consult is the perfect solution for medical professionals who need access to the most up-to-date and authoritative medical information available. It's a must-have for:

- Physicians
- Nurses
- Medical students
- Residents
- Fellows
- Researchers

Online and Print Access

Expert Consult is available in both online and print formats. The online version gives you access to the entire Expert Consult library from any computer or mobile device with an internet connection. The print version includes a selection of the most popular textbooks and journals in a convenient, portable format.

With Expert Consult, you can choose the format that best suits your needs. Whether you prefer to read online or in print, you'll have access to the same high-quality medical content.

Unmatched Value

Expert Consult is an unmatched value for medical professionals. For a low annual subscription fee, you get access to the most comprehensive medical library available. Plus, you can cancel your subscription at any time.

If you're serious about your medical career, then Expert Consult is the essential tool you need to succeed. Subscribe today and unlock a world of medical expertise at your fingertips.

Testimonials

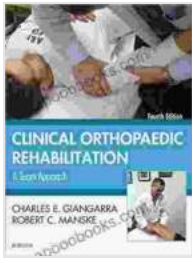

"Expert Consult is the best medical resource I've ever used. I can't imagine practicing medicine without it." - Dr. John Smith, MD

"Expert Consult has helped me stay up-to-date on the latest medical advancements. It's a must-have for any medical professional." - Dr. Jane Doe, MD
