Addiction is a devastating disease that affects millions of people and their families. If you have a loved one who is struggling with addiction, you know how heartbreaking and frustrating it can be. You may feel helpless, alone, and unsure of what to do.

Getting Them Sober Volume One is a comprehensive guide for family and friends of those struggling with addiction. This book will provide you with the knowledge and tools you need to:

- * Recognize the signs and symptoms of addiction
- * Communicate effectively with your loved one
- * Provide support and encouragement
- * Stage an intervention
- * Find the right treatment program
- * Help your loved one stay sober

This book is written by a team of experts in the field of addiction treatment, including Dr. Robert Meyers, a leading authority on addiction and recovery. Dr. Meyers has over 30 years of experience in helping people overcome addiction. He has developed a unique approach to addiction treatment that emphasizes the importance of family and friends in the recovery process.

What You'll Learn in Getting Them Sober Volume One

In *Getting Them Sober Volume One*, you will learn:

* The different types of addiction and their symptoms * The causes of addiction * The stages of addiction * How to talk to your loved one about their addiction * How to stage an intervention * How to find the right treatment program * How to support your loved one during recovery * How to deal with relapse

This book is a valuable resource for anyone who is dealing with the addiction of a loved one. It is full of practical advice and support. It will help you understand addiction and the recovery process. It will also give you the tools you need to help your loved one get sober and stay sober.
