In the heart of Chicago's South Side, where poverty and violence are as common as the air we breathe, a young boy named James "Hitman" West embarked on a journey that would forever change his life. Lured by the allure of fast money and power, Hitman became a pimp at the tender age of 15, quickly rising through the ranks to become one of the most notorious players in the game. For years, he lived a life of excess and danger, surrounded by beautiful women, expensive cars, and the constant threat of violence.

But beneath the glitz and glamour, Hitman was a deeply troubled man. Addiction to crack cocaine had taken a hold of his life, and the constant trauma of his childhood and the pimp game was slowly eating away at his soul. In a desperate attempt to escape the darkness, he turned to God, but even that couldn't save him from the downward spiral he was in.

After years of addiction and self-destruction, Hitman finally hit rock bottom. He was arrested and sentenced to 10 years in prison, where he faced the consequences of his actions and began the long and difficult journey of redemption. Through therapy and education, he confronted his past and the root causes of his behavior, and he slowly began to heal the wounds that had haunted him for so long.

Upon his release from prison, Hitman was determined to make a difference in the world. He founded the Pimp Free Nation Movement, a non-profit organization dedicated to helping people break free from the cycle of poverty, addiction, and violence that perpetuates pimp culture. Through

outreach programs, educational workshops, and one-on-one mentoring, Hitman shares his story and offers hope to those who are struggling to find their way out of the darkness.

Hitting Lick: For the Love of Pimp is a powerful and poignant memoir that offers an unflinching look into the world of pimping, addiction, and redemption. Author James "Hitman" West shares his harrowing personal journey from the mean streets of Chicago to the depths of drug addiction and incarceration, and ultimately to a life of purpose and meaning. Through raw and honest storytelling, Hitman reveals the complex and often misunderstood culture of pimping, while also exposing the systemic racism and poverty that perpetuate its existence. *Hitting Lick* is a story of resilience, hope, and triumph that will forever change your perspective on one of America's most controversial subcultures.

Praise for Hitting Lick

"*Hitting Lick* is a raw and unflinching account of one man's journey through the depths of hell and back. James 'Hitman' West's story is a powerful reminder that even in the darkest of times, redemption is possible. This book is a must-read for anyone who wants to understand the complex and often misunderstood world of pimping and addiction."

—Dr. Cornel West

"*Hitting Lick* is a powerful and moving memoir that sheds light on one of America's most hidden and misunderstood subcultures. James 'Hitman' West's story is a testament to the power of resilience and the importance of second chances. This book is a must-read for anyone who wants to

understand the complex social and economic forces that perpetuate poverty and violence in our communities."

—Michelle Alexander, author of *The New Jim Crow*

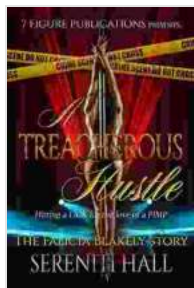

"Hitting Lick is a gripping and unforgettable memoir that will stay with you long after you finish reading it. James 'Hitman' West's story is a powerful reminder that even the most broken of us can find redemption. This book is a must-read for anyone who cares about social justice and the human condition."

—Bryan Stevenson, founder and executive director of the Equal Justice Initiative
