Forman argues that one of the biggest problems with the Civil Rights Movement was that it was too focused on integration. He believes that integration has not led to true equality for African Americans and that it has actually created new problems, such as white flight and the rise of the suburbs.

Forman also argues that the Civil Rights Movement was too focused on legislation. He believes that laws alone cannot change hearts and minds and that true change must come from within. He believes that we need to focus on building relationships between blacks and whites and on creating a more just and equitable society.

Forman's book is a challenging and thought-provoking read. He does not shy away from difficult topics, and he is not afraid to challenge conventional wisdom. His book is a must-read for anyone interested in American history, race relations, and social justice.

About the Author

James Forman Jr. is a civil rights activist, author, and lecturer. He is the son of James Forman, a prominent leader of the Civil Rights Movement. Forman Jr. has written several books, including *The Making of Black Revolutionaries* and *Race, Crime, and the Law*.

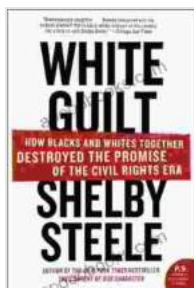

Praise for How Blacks and Whites Together Destroyed the Promise of the Civil Rights Era

"James Forman Jr. has written a powerful and provocative book that challenges conventional wisdom about the Civil Rights Movement. His book is a must-read for anyone interested in American history, race relations, and social justice."— *Cornel West, author of Race Matters*

"Forman Jr. offers a fresh and insightful perspective on the Civil Rights Movement. His book is a valuable contribution to the ongoing debate about race in America."— *Henry Louis Gates Jr., author of The African American National Biography*
