### Introducing iFiddle Magazine

iFiddle Magazine is a new quarterly publication dedicated to all things fiddle. We're here to celebrate the fiddle in all its forms, from bluegrass to old-time to Celtic to folk and beyond. We'll feature articles, interviews, and reviews by and for fiddlers of all levels.

Our premier issue features an in-depth interview with legendary fiddler Darol Anger. Anger is a founding member of the Turtle Island String Quartet and has collaborated with a wide range of artists, from David Grisman to Yo-Yo Ma. In our interview, Anger talks about his early influences, his approach to improvisation, and his thoughts on the future of fiddle music.

In addition to our interview with Anger, our premier issue also includes:

- A feature article on the history of fiddle music in the United States
- An interview with up-and-coming fiddler Brittany Haas
- A review of the latest fiddle albums
- A how-to article on playing fiddle

- And much more!
