The book is divided into three parts. The first part, "The Dangers of Authoritarianism," examines the history of authoritarianism in the United States and around the world, and identifies the warning signs that we should be looking for. The second part, "The Roots of Authoritarianism," explores the social, economic, and political factors that can contribute to the rise of authoritarianism. The third part, "Resisting Authoritarianism," offers a range of strategies for resisting authoritarianism, both in the United States and abroad.

*It Can Happen Here* is a timely and important book. It is a must-read for anyone who is concerned about the future of democracy in the United States.
