Lady Annelise is a young woman of good breeding and impeccable manners. She is also a skilled monster hunter. When her father is killed by a monster, Annelise vows to avenge his death and protect her family.

But Annelise's quest is not as simple as it seems. The monsters she hunts are not the mindless beasts of legend. They are intelligent, cunning, and often disguised as humans.

As Annelise investigates her father's death, she uncovers a dark secret that threatens to tear her world apart. She must learn to trust her instincts and

to follow her heart, even when it leads her into danger.

Manners and Monsters is a witty and heartwarming novel about the power of kindness and the importance of being yourself. Perfect for fans of Pride and Prejudice and Jane Austen.
