By Alexandra Kollontai

Sexual Relations and the Class Struggle is a collection of essays by Alexandra Kollontai, a pioneering feminist and revolutionary. The book explores the relationship between sexual relations and the class struggle, arguing that the liberation of women is essential for the overthrow of capitalism.

Kollontai's work is essential reading for anyone interested in feminism, Marxism, or the history of the Russian Revolution. Her insights into the relationship between gender and class are still relevant today, and her call for a revolution in sexual relations is more urgent than ever.
