Monica is a self-described "bad Catholic" who has never quite felt like she fit in. She's always been a bit of an outsider, and now that the world is ending, she's more lost than ever.

But Monica is also a survivor. She's tough, resourceful, and she has a wicked sense of humor. As she travels through a post-apocalyptic world,

she encounters a cast of characters who are just as lost and confused as she is.

Together, they embark on a journey to find meaning in a world that has seemingly lost all hope. Along the way, they learn about themselves, about each other, and about the nature of faith and belief.

**\*\*The Adventures of Bad Catholic\*\*** is a funny, heartwarming, and thought-provoking novel that will stay with you long after you finish it. It's a story about the importance of finding your own path, even when the world around you is crumbling.
