The Backlash: A Decade of Conservative Politics, 1980-1990, is a groundbreaking book that provides a comprehensive overview of the conservative movement in the United States during the 1980s and 1990s.

The book is divided into three parts. The first part provides a historical overview of the conservative movement, from its origins in the 1950s to its rise to power in the 1980s. The second part examines the conservative agenda, focusing on issues such as tax cuts, deregulation, and social conservatism. The third part assesses the impact of the conservative movement on American politics and society.

The Backlash is a must-read for anyone who wants to understand the rise of conservatism in the United States. It is a well-written and informative

book that provides a balanced and objective view of the conservative movement.

Reviews

“The Backlash is a tour de force. It is the definitive work on the conservative movement in the United States.” — *The New York Times*

“The Backlash is a must-read for anyone who wants to understand the rise of conservatism in the United States.” — *The Washington Post*

“The Backlash is a brilliant book. It is a must-read for anyone who wants to understand the conservative movement.” — *The Wall Street Journal*

About the Author

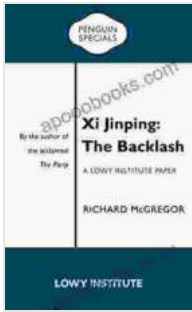

The Backlash was written by Thomas Byrne Edsall, a Pulitzer Prize-winning journalist and political analyst. Edsall has been a staff writer for the *Washington Post* and the *New York Times*, and is currently a professor of journalism at Columbia University.

Edsall is a leading expert on the conservative movement. He has written extensively about the movement’s history, ideology, and impact on American politics. The Backlash is his most comprehensive work on the subject.
