

Unpacking Sexism and White Privilege in Pursuit of Racial Justice

In the pursuit of racial justice, it is essential to unpack the ways in which sexism and white privilege intersect and shape the experiences of people of color. This book provides a comprehensive analysis of this intersectionality, offering a critical examination of the ways in which sexism and white privilege have shaped the history of racial justice movements and continue to impact contemporary efforts to achieve racial equity.

What's Up with White Women?: Unpacking Sexism and White Privilege in Pursuit of Racial Justice by Tilman Smith
