

Veterinary Self Assessment Color Review: The Comprehensive Guide to Veterinary Medicine

The Veterinary Self Assessment Color Review Series is the most comprehensive veterinary medicine review available. With over 1,500 full-color images and detailed explanations, this series is designed to help veterinary professionals stay up-to-date on the latest veterinary knowledge and prepare for board exams.

Ornamental Fish: Self-Assessment Color Review (Veterinary Self-Assessment Color Review Series)

by William J. Plummer

★★★★★ 5 out of 5

Language : English

File size : 12886 KB

Screen Reader : Supported

Print length : 192 pages

The series is divided into five volumes, each of which covers a different area of veterinary medicine. The volumes are:

- Volume 1: Internal Medicine and Infectious Diseases
- Volume 2: Surgery and Radiology
- Volume 3: Theriogenology and Animal Reproduction
- Volume 4: Anesthesiology and Pain Management

- Volume 5: Emergency and Critical Care

Each volume is written by a team of experts in the field and is fully illustrated with high-quality color images. The text is clear and concise, and the explanations are detailed and informative.

The Veterinary Self Assessment Color Review Series is the perfect resource for veterinary professionals who want to stay up-to-date on the latest veterinary knowledge and prepare for board exams. It is also a valuable resource for veterinary students and technicians.
